

2010 Horseback Riding Sign-Up Form Camps Awosting & Chinqueka

This is an optional activity for which a fee is charged. Approximately 15% of Awosting and Chinqueka campers participate in horseback riding. All riding is done in the morning at Lee's Riding Stable in Litchfield, using their horses, equipment, and competent instructors. Both English and Western style riding are offered. RIDING HATS ARE REQUIRED. Campers may bring their own hats or use those provided by the stable. Class lessons in the ring are offered for beginner to intermediate riders. Trail lessons are offered for intermediate to advanced riders. A maximum of three hours per week (in any combination) may be scheduled.

Payment should accompany this form and must be received no later than opening day of your camper's session. Every effort will be made to reschedule lessons missed because of conflicting camp program or illness, but payment made for unused lessons will be refunded in September.
